« Ripe fruity nose with plums, blueberries, tobacco and aniseed. Some vanilla, chocolate and leather. Pure fruit on the palate with medium-full body and good intensity. Velvety texture and outstanding length. Lots of new woods that need to integrate. Tannins still quite firm. Better after 2016. »

« Very dark, inky colour -rather viscous; plenty of dark fruit, fine spices, blackcurrant; fine oak and balanced but present tannins, juicy and balanced with good weight and fine persistence, very pleasant and drinkable. »

« A delicious wine from proprietors Pierre and Jean-Baptiste Bourotte, this frequent sleeper of the vintage is a blend of 95% Merlot and 5% Cabernet Franc. Like its older siblings, the 2010 offers loads of tasty mulberry and black cherry fruit and medium to full-bodied texture, It does not have the greatest complexity, but the 2010 Bonalgue is satisfying and charming. Drink it over the next decade. »
